Detroit Area:

UCP/Detroit sponsors a Support Group for persons with all types of disabilities, their families and friends. Meetings are currently held in our office on the second Tuesday of each month from 10:00am-12:00pm. People come together to share experiences, gain knowledge, and offer support to each other. The group is run by its participants. UCP/Detroit staff offer assistance when needed, such as information on various topics, speakers, workshops, and more. If you would like more information, please contact us.

Washtenaw County:

Families of Children with Cerebral Palsy: This group is open to parents of children with cerebral palsy from birth through school-age. Call Shelli Kritzman at (734)449-5480 for more information or email mkritzman@mpcphysics.com
