Fetal Alcohol Syndrome Handbook. "This handbook is produced by the Center for Disabilities, Department of Pediatrics, The University of South Dakota School of Medicine. The Fetal Alcohol Syndrome Handbook is made possible in part by a grant from the South Dakota Council on Developmental Disabilities.
"The information contained in the Fetal Alcohol Syndrome Handbook reflects the most up-to-date information available (see the bibliography in the back of the handbook for a complete listing of information used in compiling the handbook). The Fetal Alcohol Syndrome Handbook is designed only as an informational resource. It is not intended to be used as a diagnostic tool or to be an all inclusive resource. For more information please consult any of the resources listed beginning on page 46 of the Portable Document Format Fetal Alcohol Syndrome Handbook." Website: <http://www.usd.edu/cd/fashandbook/index.htm>
