Transition to Kindergarten
This workshop is for families with young children (birth through age six) who are getting ready to think about kindergarten.

• How can I best include my child’s strengths and needs in the IEP?
• How do I build a communication plan with my child’s teacher?
• What kinds of supports and services are possible in kindergarten?

Who should attend? Families of young children/preschoolers with disabilities/learning challenges, school staff, community members, and organizations.

RSVP with Lisa Casper by 5-15-18.
