This workshop will help you better understand effective parent representation on local committees.

When you better understand the role a parent plays and how to participate, you help raise awareness of needs and improve outcomes for your child.

Our goal is to help you understand the basic process, components and how they work together, specifically:

- Options for serving
- Effective involvement
- Process and operation
- Issues to consider

Who should attend? Families of children/young adults with disabilities/learning challenges, school staff, community members, and organizations.

Register by 3-1-18 with Andrea Sargent
(231) 794-1297 or andrea@michiganallianceforfamilies.org
Or online at www.michiganallianceforfamilies.org/rsvp

Please note: To be good stewards of our funding resources, we need a minimum number of participants registered by the registration deadline for the presentation to be held. If it is after the deadline and you haven’t registered, please call or email to check the status of the event. If you require accommodations or materials in an alternative format, please let us know one week before the workshop.
