

IEP and Behavior

With Kelly Orginski
In partnership with Macomb ISD

Do you have a child with an IEP? This year we are offering a series of workshops to help you improve your child's IEP and school experience. Each session includes time to ask questions and network with other parents.

Does your child have challenging behaviors at school? Come learn about services provided through the IEP to teach and support positive behaviors at school. Bring your child's IEP to this meeting!

- What is a Functional Behavior Analysis (FBA) and how to request one
- How a FBA leads to the development of a Behavior Intervention Plan (BIP)
- Making sure the BIP utilizes Positive Behavioral Interventions & Supports (PBIS)
- What to do if the BIP isn't working
