

Resolving IEP Disagreements

With Kelly Orginski
In partnership with Macomb ISD

Do you have a child with an IEP? This year we are offering a series of workshops to help you improve your child's IEP and school experience. Each session includes time to ask questions and network with other parents.

Disagreements are bound to come up at some point in the IEP process.

Resolving these issues without destroying the relationship is important. Topics covered will include:

- Keeping a papertrail
- Informal dispute resolution options
- State Complaints
- Due Process Hearings
