This workshop will help you better understand the Individualized Education Program (IEP) for students who receive special education services.

Our goal is to help you understand how the IEP components work together:

- The present level of academic achievement and functional performance (PLAAFP) statement
- Goals and objectives
- Accommodations and Modifications
- Programs and Services

The workshop will last about 1 hour. Afterwards, there will be time for parents to ask questions, share information with each other and speak with the Michigan Alliance for Families Parent Mentor.
