

## Strategies for Supporting Your Child's Learning at Home

A panel comprised of Intermediate School District (ISD) professionals, Michigan Alliance for Families parent mentors, and parents will discuss using PBIS strategies included in the recent 3-part webinar series on using PBIS at home and school

### Learn more about:

- Positive Behavioral Interventions & Supports (PBIS) and strategies for home
- How schools and families are implementing PBIS strategies
- Easing the transition back to school and different learning environments
- Resources to support your child while learning at home and school

Registration information at [MAF-MiMTSS PBIS Family Panel Discussion](#)

*Panel discussion will be recorded for future viewing*

### Panel Discussion (Online Webinar)

Monday, November 9, 2020

6:00-7:30 p.m.

Content relates to Michigan Alliance for Families and MiMTSS

***3-Part Implementing PBIS at Home Webinar Series: [Part 1](#); [Part 2](#); [Part 3](#)***

*It is suggested (but not required) those attending the panel session review the webinar series to become familiar with the content prior to the panel session*

**Home and school experiences:**

- Implementing routines, expectations, and rules
- Using the strategies of reminding, recognizing, and rewarding behavior
- Responding to and correcting unwanted behavior

**Structured question and answer format with time for open questions**
