Virtual meetings are probably here to stay and in this uncertain and ever-changing school year, communication between families and schools is even more important. Learn how to optimize the effectiveness of this new way of planning. This one hour session will help you be prepared for a productive virtual experience. It will cover

- Pre-meeting preparation
- Communication techniques for during the meeting
- Protecting confidentiality while online
- Managing the challenges of virtual meetings
- Follow up suggestions

Who should attend?

Families with a child with disabilities or learning challenges, school staff, other community members
