

Parent Advisory Committee: Roles and Responsibilities

with Sandee Koski

Tuesday, December 15, 2020

6PM – 7PM

Registration required.

<https://tinyurl.com/y6njnqpu>

The Michigan Administrative Rules for Special Education requires all Intermediate School District boards to appoint a Parent Advisory Committee (PAC). Local School Districts can use these same guidelines to form a district PAC for Special Education. This free online workshop will help you understand the important role of your PAC, as well as responsibilities and opportunities for your PAC.

Who should attend?

Parents who are current members of a PAC, as well as parents who are interested in serving on a PAC
