There may be special education terms related to the pandemic that parents need to have defined so they consider if it's appropriate for their child.

This online workshop can help parents catch up and keep up with important information to overcome COVID hurdles and improve your child's outcomes.

- Learn about a Contingency Learning Plan and when it is appropriate
- Learn about Recovery Services and when it is appropriate
- Learn about Compensatory Education and when it is appropriate
- Learn about Extended School Year and when it is appropriate
- Learn the important differences between these separate remedies

Who should attend?

Families with a child with disabilities or learning challenges, school staff, other community members
