

Behavior is Communication

with Sally Burton-Hoyle, Ed.D;
Professor, ASD Area,
Department of Special
Education, College Supports
Program Faculty Advisor

Two Parts:

Friday, April 22, 1PM – 2:30PM

Friday, April 29, 1PM – 2:30PM

All behavior is communication.

A child's problematic or inappropriate behavior is a sign that something is not right. The child needs support, not punishment.

This two-part online workshop will help you determine what the child is saying with their behavior and how to substitute a more acceptable way to communicate that message.

Who should attend?

Families with a child or young adult with a disability, school staff, other community members
