Your baby or toddler with a disability or developmental delay qualified for *Early On* services. What do you need to consider when preparing to exit *Early On*?

This workshop explores the five things you need to consider as your child approaches the end of their *Early On* services.

- Inclusive high-quality early childhood programs
- Individuals with Disabilities Education Act (IDEA)
- Timelines
- Transition Planning & Conference
- Free Appropriate Public Education (FAPE) and Least Restrictive Environment (LRE)

Who should attend? Families with a child with disabilities or learning challenges who is leaving *Early On* services, school staff, other community members.
