The benefits of family and school partnerships in fostering literacy success are overwhelming.

Did you know that family engagement in their child's literacy learning positively and significantly impacts school performance? This presentation will provide families with knowledge and skills in promoting literacy skills.

Families will be able to:

- Discuss the benefits of partnering with their child's school to support literacy learning
- Identify key principles in supporting literacy learning
- Learn about the research and strategies to support literacy learning
- Collect resources to support families in their child's literacy success

Who should attend? Families with a child or young adult with a disability, school staff, other community members.
