

Family and School Engagement: Current Practices

Spend 5 minutes considering how family and school engagement is going for you currently. Make notes below.

What's working?	What's not working?

Introduce yourself to your table mates.

- Please share your name, area of the state you live, and your role.

Share highlights of your brainstorming with the table.

Family and School Engagement: Looking Ahead

Reflect on the information we discussed today. Consider your “What’s not working?” section on the reverse of this page. Choose 2-3 effective practices you would like to try for better engagement. Set a target date.

2.	
3.	

Choose (at least) one of these to do when you return to your community:

- **A-ha** (lightbulb moment)
- **Apology** (oops, I didn’t realize)
- **Appreciation** (what are you thankful for?)
- **Ask** (a question to further your understanding)
