Choosing where your child goes to school is one of the biggest decisions you face as a parent.

Each child is unique and there are many different types of schools in Michigan. Choosing the right type of school and learning environment to meet your child's individual needs can make all the difference for a successful school year.

Join us for a free workshop for families to gain a better understanding of different types of schools available in Michigan.

This webinar focuses on:

- Defining the types of schools
- Explaining big ideas from the Individuals with Disabilities Education Act (IDEA)
- Providing questions to consider when exploring virtual vs. in person school options
- Sharing answers to frequently asked questions

Who should attend? Families with a child with disabilities or learning challenges, school staff, other community members.
