This free, online workshop takes a closer look at the Individualized Education Program (IEP) process.

This workshop will help you:

- take a more in depth look at the core areas of the IEP
- prioritize your greatest concerns
- learn how to address those concerns through the IEP process
- improve your ability to have productive conversations

There will also be time set aside to ask questions.

Who should attend? Families with a child or young adult with an IEP or IFSP.
