Rights Coalition**

**Students who have difficulty expressing themselves may require an alternative way to communicate. Communication systems, strategies, and tools that replace or supplement natural speech are known as augmentative and alternative communication (AAC).**

Learn about AAC in this webinar, including:

- What is AAC and when AAC should be considered
- How to find the right AAC
- Philosophies to consider

AAC resources including supporting organizations, training and support, research, books, funding, podcasts, social media will be shared.

## **Who should attend?**
