PAC: Best Practices

What is a Parent Advisory Committee (PAC) and what do they do?

- Committee set up
- ISD (intermediate School District) Plan
- Planning content

Parent Advisory Committees (PAC)

- IDEA does not require regional or local special education advisory committees.
- **Michigan Administrative Rules for Special Education (MARSE)** requires each intermediate school district board to appoint a Parent Advisory Committee.
 - **R 340.1838** Parent advisory committee. Rule 138.
- Some local school districts form Special Education Parent Advisory Committees – these are not required under IDEA or MARSE.

<https://www.michigan.gov/mde/services/special-education/laws-regs/marse/p7/r340-1838>

Who serves on the PAC?

A parent advisory committee shall be appointed by each intermediate school district board.

- (a) The parent advisory committee and its officers shall consist only of **parents of students with disabilities with at least 1 parent from each constituent local school district and public school academy** unless no parent agrees to serve on the parent advisory committee to represent the constituent local school district or public school academy.
- (b) Each constituent local school district board of education and each public school academy board of directors shall nominate at least 1 parent.
- (c) The intermediate school district board of education may nominate additional members not to exceed 33 1/3% of the total parent advisory committee membership.

What is the ISD's role?

The intermediate school district board of education shall **make every attempt** to assure that **all types of impairments** and **all identifiable organizations of parents** of students with disabilities within the intermediate school district are **represented** on the parent advisory committee.

The intermediate school district board of education may recommend operational procedures for parent advisory committee review and adoption.

The intermediate school district shall **secure or allocate fiscal and staff resources** to the parent advisory committee to make it efficient and effective in operation.

ISD Plan

The Parent Advisory Committee participates in the development of the ISD's plan and any modifications of the plan.

ISD (Intermediate School District) Plan

Each ISD is required to have an “Intermediate School District Plan for the Delivery of Special Education Programs and Services” which must include:

ISD Plan Signatures

Public Awareness and Child Find

Diagnostic and Related Services

Special Education Programs and Services

Paraprofessional

Millage Fund Distribution

Parent Advisory Committee (PAC)

Objections to the ISD Plan

Any constituent district or the PAC may file a written objection regarding the ISD Plan.

The written objection must specify the portion(s) of the ISD Plan being contested, provide a reason for the objection, and propose an alternative provision.

An objection can be filed against an ISD Plan which has already been approved by the State Superintendent or one which may be under review by the Office of Special Education.

Planning Content

The Parent Advisory Committee may provide advisory input on any matters that the committee deems appropriate to the improvement of special education services within the intermediate school district.

How does your PAC plan the learning for the year?

Does the general membership have input?

Do you set the year in advance?

One or two meetings at a time?

Are there standing topics?

Please raise your hand or type in the chat.
