- School
- Work
- Healthcare
- Community
- Relationships

**VERYWHERE!**

# At School

- It's about you
- Making decisions about your education and life
- Practicing social, advocacy, and communication skills

# Self-Awareness is about...

- A. Knowing other people's strengths and what they need to work on.
- B. Looking in the mirror and seeing what I look like

# Review

## SPIN stands for...

- S

2. **P**references examples?
3. **I**nterest examples?
4. **S**upports examples?

**YOUR  
TURN!**

# Review Self-Confidence

**Self-confidence  
(or self-efficacy)  
means believing  
in y\_\_\_\_\_!**

- yourself

# Self-Advocacy

# Being a Self-Advocate

## Means YOU...

- Know what you want
- Have more control of you
- Make life decisions that are best for you
- Speak-up for yourself
- Understand your disability, strengths, and challenges
- Do what you say you will do (follow through on commitments)
- Learn from your mistakes

**Self-Advocacy means becoming more  
and more **independent!****

# Self-Advocacy

## Self-Advocacy **IS** ✓

- ✓ A civil rights law for people with disabilities
- ✓ Speaking up for yourself
- ✓ Knowing your strengths and challenges
- ✓ Being part of your community
- ✓ Making decisions
- ✓ Learning from mistakes
- ✓ Something we all can do
- ✓ Managing emotions

## Self-Advocacy **IS NOT** ✗

- ✗ A program or fad
- ✗ Complaining or being negative
- ✗ Criticizing or putting yourself down
- ✗ Staying home and not trying new things
- ✗ Letting others make most of your decisions
- ✗ Not taking chances and repeating mistakes
- ✗ Only for people with disabilities
- ✗ Being angry

# Self-Advocacy

What self-advocates are saying...

*As you watch the video, think about 1 thing that is meaningful to YOU.*

[https://youtu.be/B6890lXdG\\_w](https://youtu.be/B6890lXdG_w)

# Disability Rights

## Civil Rights Law: Americans with Disability Act (ADA)

- Do NOT discriminate!
  - Treating people with and without disabilities the same
- Not legal to not treat people the same (discriminate) because of their disability
- In employment, public places, transportation, and programs offered by the government

# Disability Rights and Education

## Individuals with Disabilities Education Act (IDEA)

- Part of Section 504 of the Rehabilitation Act
- Works with ADA for children and adults with disabilities to protect their equal treatment and inclusion in education
- Individualized Education Program (IEP) is your education plan to meet your own needs and make sure you get the supports and services you require in your education.
  - You get accommodations or modifications so you can be included as much as possible with your peers at school without disabilities.

Increasing your **self-advocacy** can  
make you more **self-confident** and  
**independent**

# Disclosure

- Letting someone know you have a disability
- YOU decide if, when, how much to tell
- Disclosing helps at work and school in getting accommodations
- May want to think about this before you interview, start a job, or start an educational program after high school

- Handling money and using an ATM card
- Making social and recreational choices

- Asking your supervisor or co-workers to help with questions you have
- Understanding feedback and what you can improve on your job

# Self-Advocacy and Your SPIN and IEP

# Which one shows self-advocacy?

- A. Letting your employer know you have a disability if you start having problems at work
- B. Not asking your teacher for help when you lose your assignment

*(Put A or B in chat!)*

# Self-Regulation

# Means...

- Knowing my own thoughts, emotions, and behavior
- Being aware of how I feel and taking action to be more calm, happy, and positive if I am upset or anxious

# Involves...

- Noticing when you are getting upset, angry, stressed out, anxious, frustrated

- Keep jobs
- Reduce anxiety and stress
- Become more independent

# If we have a Hard Time

**How do I feel?**

# Zones of Regulation®

this is just a way to recognize our  
feelings and figuring out ways to  
change zones**

*Adapted from the Zones of Regulation®*

# We can Change our Zones

- Identify emotions: how do I feel?
- Check behavior: what am I doing?
- Regulate emotions: what can I do about it?
