July 29 – Picture This! Developing Your Student Snapshot

A student snapshot shares your child's interests, strengths, and needs with their IEP team and other staff who support them. Join us to discuss format possibilities, relevant information to include, and the benefits of working with your child to create a student snapshot that can help them self-advocate.

August 5 – Start Strong: Communication That Supports Your Child

Communication shapes every relationship, sometimes in positive ways, sometimes in challenging ones. When partnering with your child's school team, strong communication skills can make all the difference. This engaging, hands-on webinar focuses on building effective communication skills with real-life scenarios and practical strategies.

August 12 – Prepare with Flair: Back to School with an IEP

Join our Parent Mentors as we dive into best practices for preparing ourselves, our children, and our IEP team for the new school year. We will explore ways to organize, calm nerves, get excited, and set expectations for our best year yet!

August 19 – Executive Functioning: What, When, and How

Join us to learn more about **WHAT** executive functioning is, **WHEN** support can be put in place, **HOW** to shift your thinking to support your loved one. Walk away with tips and tricks to make your life and school day more manageable and set up for success.
