

From Puzzled to Prepared: Present Level for Preschool

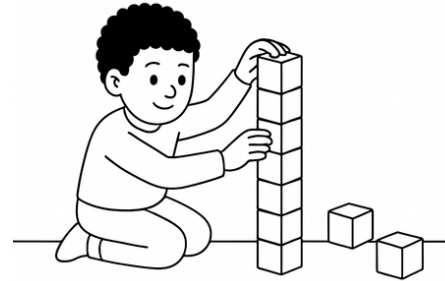

with Kelsey Biswanger

NOVEMBER 19, 2026

6:30PM - 7:30PM

REGISTER AT tinyurl.com/rtf76zbn

This free, online workshop helps families of preschool-aged children learn the importance of the Present Level of Academic Achievement and Functional Performance (PLAAFP) section of the Individualized Education Program (IEP) and how their insights into their child's daily routines and developmental strengths or concerns can strengthen the IEP.

By the end of the workshop attendees will:

- Understand the purpose of the PLAAFP and its role in shaping the child's IEP
- Identify the differences between academic and functional performance
- Learn how to provide meaningful family input to support a well-rounded PLAAFP
- Follow how the PLAAFP interacts with the other components of the IEP

Who should attend?

Families of preschool-aged children who have an IEP. In Michigan, IEPs support qualifying students from ages 3–26. This presentation focuses specifically on preschoolers (ages 3–5).
