**Choosing where your child goes to school is a big decision. One size doesn't fit all. Each child is unique and there are many different types of schools in Michigan. Choosing the right type of school and learning environment to meet your child's individual needs can make all the difference for a successful school career.**

Join us for a free webinar to gain a better understanding of different types of schools that may be options for your child.

- Understanding the different school options including charter, virtual, and school of choice
- Explaining big ideas from the Individuals with Disabilities Education Act (IDEA)
- Providing questions to consider when exploring school options

## **Who should attend?**

Families with a child with a disability or learning challenge, school staff, other community members.
