Section 504 of the Rehabilitation Act of 1973 is a civil rights law that prohibits discrimination on the basis of disability - this includes students with an Individualized Education Program (IEP).

For students with a disability who are not eligible for an IEP, a 504 plan provides equal access to the general education curriculum.

Join us for this free webinar if you have questions like:

- How do I get a 504 Plan?
- What is the difference between a 504 Plan and an IEP?
- What could supports and services look like?
- What are my rights?

Who should attend?

Families with a child with a disability or learning challenge, school staff, other community members.
