16

Action Item: Dignity of Risk

Every person learns by making choices that could have negative consequences and by experiencing those consequences. Every person has the right to make personal decisions and to decide how to achieve personal goals.

17

The Transition Planning Process

18

Transition Services

Activities that help a student achieve postsecondary goals

Services must be:

- Based on student strengths, preferences, interests and needs
- Activities that the student will complete, with support from school and community agencies
- Composed of skills, experiences, opportunities and connections
- "A results-oriented process"

19

Transition Services Examples
