**Join us for a 3-week interactive course designed just for you!
We ask that participants commit to attending all three sessions —
each one builds on the last to help you become a stronger advocate
for your child.**

This IEP Course includes small group discussions and weekly assignments to apply the class information to your child's IEP. Together, we'll learn how to:

- Speak up confidently in your child's IEP meetings
- Understand your rights and the IEP process
- Collaborate effectively with the school team
- Address concerns in a productive, positive way

Who should attend?

Parents/caregivers of a child or young adult with an IEP.

Participants are asked to commit to all 3 sessions. Registration accepted Oct 1- Oct 19 (or when full).
